Culture: Holidays in the USA page 92-95

## PROJECT

### *A WEB PAGE*

In small groups, write a web page about a holiday in another English-speaking country. Use the questions as headings. Answer the questions on the web page. Find photos or draw pictures for your web page.

- When is the holiday?
- What is the holiday for?
- What special things do people do?
- What special food do people eat?

**Present the web page to the class.**
